**Subject:** Re: Sampling Tomorrow

Good afternoon JJ,

Thank you for the reminder.

Here is the information I have for tomorrow's activities:

9.30 am on Thursday, August 13th

Please call Leah on her cell **Not Responsive** for more specific directions. This will not require anyone to go on site, so no additional safety training for the US EPA rep is needed.

Thank you,

Kristy Bellows

**Not Responsive**
